

The Wizards of Ozzy Black Sabbath Tribute

English Version

Formed in São Paulo, Brazil, The Wizards of Ozzy is a faithful and powerful tribute to the classic era of Black Sabbath, celebrating the Ozzy Osbourne years with precision, emotion, and deep respect for the band's legacy.

Led by Carlos Zanin (vocals and guitar), Marco Aurelio (bass), and Renan Bozute (drums), the trio delivers immersive performances that blend sonic authenticity, visual impact, and the dark atmosphere of the 1970s.

More than a cover act, it's a heartfelt homage by musicians who grew up under Sabbath's influence and now keep the flame of heavy metal alive.

"Our mission is to bring joy to people through music"
